

"JavaScript for Kids" Coding Class

**May/June 2015 - 4th and 5th Grade
Lesson 6**

Welcome to Lesson 6!

Lesson 6

- Recap of Lesson 5
 - Colors in HTML
 - Comments
 - For Loops
 - Showing and Hiding Elements
 - Divs

Final Week Project!

**You have been hired by the
makers of IXL**

**"Can you create a new version of
our Web site?"**

**Asks students questions, and
adds up a final score!**

Example

Use `lesson6/code/quiz.html` as a starting point. Good luck!
