

# **"JavaScript for Kids" Coding Class**

**May/June 2015 - 4th and 5th Grade  
Class Review**

**You've completed the course!**

**What did we learn?**

# What did we learn?

- *Lesson 1*
  - Using Firefox, data types, numbers, strings, booleans
- *Lesson 2*
  - Arrays (collections of data)
- *Lesson 3*
  - Objects (remember Tessa?)

# What did we learn?

- *Lesson 4*
  - Your first HTML page, user input, changing the page
- *Lesson 5*
  - Colors, for loops, showing and hiding elements
- *Lesson 6*
  - Putting it all together, and starting your final project!

**What's next?**

**JavaScript book, USB stick, and  
certificate!**

**Keep coding, and good luck!**
